Recte iudicate. hoc iudicium est scripturam condemnare & nullo modo disputare. Et hoc est unicum iustitie in quo Iudei [illegible] hodie errant. Unde sequitur dominus eos hoc iudicium [illegible]. Etenim in corde iniquitates operamini in terra. quod hic estimatis & iudicatis & statuitis de vobis, quia in terra [illegible] non in celis conversationem sicut in regno celorum in spirituali iustitia: sed in terra [illegible] & iustitia [illegible] habentes. [illegible] iniquitates operamini: [illegible] peccata & [illegible] peccatores: in peccatis [illegible] omnis natus est ex deo non peccat [illegible] Vos [illegible] iniustitias concinnant. Ergo damnati [illegible] manus vestre & [illegible] manus Christi: [illegible] iustitias & [illegible] vestre manus. Quia [illegible] mirabilia facit: & omnis [illegible] mirabiles facit [illegible] mirabilis in [illegible].

[illegible] iniustitias manus vestre appendunt vel ponderant [illegible] opera [illegible] ponderant: sunt mere iniusta: [illegible] sua opera ponderat [illegible] hoc est iniustitia magna. Ideo non recte iudicant [illegible] arrestat. [illegible] in scriptura [illegible] non [illegible] alienati sunt [illegible].

[illegible] in corde & in terra. [illegible] operamini [illegible] in corde in terra [illegible] & opera [illegible] foris [illegible] iuste sunt [illegible] litteralia [illegible] & [illegible] non est iustum [illegible] operantur in corde iniquitates in terra. [illegible] opera [illegible] littera [illegible] coram [illegible] sunt iniqua. [illegible] iniquum est. [illegible] opera [illegible] sunt [illegible] sunt. Et in hoc [illegible] exprimitur natura hypocrisis [illegible] habens in terra [illegible] iustitia [illegible] in corde est iniqua. Tales sunt omnes heretici, omnes simulatores [illegible] & [illegible] hypocrisim [illegible] & [illegible] iustitiam magnificent [illegible] & [illegible] iudices sunt & fuerunt. Unde

Alterum [illegible] iniustitias. alterum iniquitates: iniustitia enim est contra iustitiam [illegible] iniquitates [illegible] in Christo [illegible] in corde: [illegible] in corde [illegible] operantur in corde iniustitias in terra. Iniquitas autem est [illegible] iustitia [illegible] iustitie dei: [illegible] iniustitias [illegible] operantur [illegible] iustitias. Et ita primum [illegible] & [illegible]: deinde [illegible] eas [illegible] & ponderando.

[illegible] scriptura [illegible] 25 [illegible] Rebecca gemini [illegible] in utero habuit [illegible] in Iudeis & Christianis [illegible] in scriptura [illegible].

[illegible] per serpentes intelligunt [illegible] illud [illegible] vel [illegible] quis monstrabit vobis fugere [illegible] incantatoribus [illegible] hoc genus [illegible] notum est. [illegible] diabolice artis ab antiquo & [illegible] in [illegible] Vocatur autem talis homo serpens: primo quia repit in terra. Secundo quia venenum [illegible] habet. 3° Quia [illegible] extremitate sua [illegible] venenum est, [illegible] obstruit aures cordis [illegible] placet ei [illegible] ideo non vult audire ea que [illegible] salutaria ad [illegible]

Conteret dominus dentes [illegible] mordaces & detractorias [illegible] primo [illegible] Christus [illegible] expressis verbis [illegible] ut Matt. 22. de tributo cesari dando. Et cap. 21 de [illegible] [illegible] meditabantur [illegible] & frustrati [illegible] ita in [illegible] sunt [illegible] mordaces [illegible] Secundo [illegible] verbis [illegible] & condemnabit [illegible] in fine mundi & hora mortis. Tertius [illegible] in bonis mordaces, detractores [illegible] compescere [illegible] ore [illegible] in corde [illegible] ore [illegible] in [illegible] Elegans est [illegible] tres dentes [illegible]
