

Ecce quomodo moritur iustus, et nemo percipit corde
Sicut si quis staret deo gratias, in memoria in unum ad hunc finem

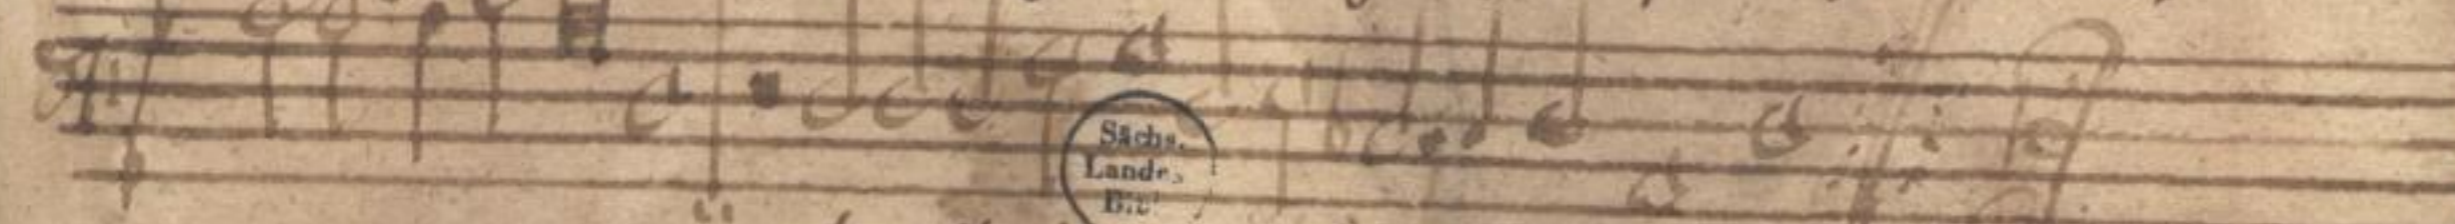

vir iusti tolluntur, et nemo considerat, a facie iniquitatis
Quomodo laus factus, et finis, in unum habitavit in gratia, et in unum habitavit

sublatq est iustus, et erit in pace memoria eius
Vox cuius, et vox, in unum habitavit in unum habitavit

In pace factus est locus eius, et in Sion habitatio eius
Vox cuius, et vox, in unum habitavit in unum habitavit
