

Et in laudibus et organo
et in organo et in organo

et in organo et in organo
et in organo et in organo

et in organo et in organo
et in organo et in organo

et in organo et in organo
et in organo et in organo

et in organo et in organo
et in organo et in organo

et in organo et in organo
et in organo et in organo

et in organo et in organo
et in organo et in organo

et in organo et in organo
et in organo et in organo

et in organo et in organo
et in organo et in organo

et in organo et in organo
et in organo et in organo
