Dear Sir

I had the satisfaction
 yesterday to hear from my son of his
 safe arrival at Bonn & that he has been
 favored by Sir Alexander Fraser
 with the perusal of your letter to him.
 I beg to make my acknowledgments
 to you for your reception of the boy,
 and arrangements made, & to Mr.
 Laper for his kind care of him on
 the journey.

I have written a copy of a
 letter I have written to my bankers
 and I beg you will draw on me
 payable at the house of Drummond.
