

paper on the valley of the Setledge in the Himalayas, which  
passed through my hands - It will be inserted in the forthcoming  
fasciculus.

I am sorry to say our friend Dr  
Doehner is not well - He has had several attacks of  
illness within the last few months

Will I request you to tell my  
son that his letters are well and are after the manner  
of him? They hope he does not forget them

Yours very truly  
H. Colburn
