Honoured Sir,

M^{rs} Hunter (your Brother
adopted daughter) died at
Keswick in Cumberland on
Sunday the 8th October last.
I beg you will have the kindness
to inform M^{rs} Hunter's children
by her former husband of this
melancholy event. I say melan-
-choly, but religiously speaking,
I believe M^{rs} Hunter's death
was wisely ordained and regu-
-lated by God. Her health had
long been precarious, her sufferings
extremely very acute and distressing
