& the number of the Heidelberg Review which  
contain your Review of Niebuhr. What  
is now the German Review which gives the  
best Account of the current literature of the  
late holy Roman Empire.

The application of yourself & your Brethren to  
Indian Learning will be an Epoch in that  
branch of knowledges. You bring wit that  
acquaintance with other languages, with  
comparative grammar, & with the general  
Principles of Philology which our Anglo  
Indians cannot possess.

Let me hear from you. Let your letter be  
addressed as above. Farewell

I have seen your Essay on Provençal Literature.
