My Dear Mr Schlegel

Your Mrs followed the announce-
ment very slowly. As soon as I received it
I made a Proposal through Mr Lockhart to
Murray who in spite of more than one applica-
tion was very long before he answered me.

When the answer came it required that
I should begin for
a sight of your Mrs ~~at~~ a short time
to a Man of Letters chosen by Mr Murray
to this I could not assent without obtaining

your approbation

in determining what you ought to do

I request you to consider that this Literary
Counsellor of Mr Murray is not to sit in
