My Dear Mr. Schlegel.

There I am near 5000 feet  
above the sea enjoying as  
fine a climate as can be  
desired at this hot season.

The thermometer shows  
never above 75 - and may be

as low as 62 - There I  
received an account of all

your kind regards to my  
family when near Bonn  
for which I accept my  
sincere thanks - I have

Yours truly  
W. W. W.
