Lady Campbell reached England
two months ago - in a state of extreme
debility - she is already stronger
& trust the change of climate &
the medical skill of the physicians
here may soon restore her to
health - Lady Campbell begs to have
a place in your recollections of Hyde
Hall - she looks forward with delight
to the probability of visiting Germany
next summer if her health admit
of that pleasure - Lady Campbell
owes her knowledge of the German
language & her interest in German
literature to our friend Mr. Hare

Lady Chalcolm has the most
delightful accounts from Sir John
His health and spirits are excellent
but he thinks this year must
