Dear Sir  
I am favoured with your kind note of the 3<sup>rd</sup>.  
accompanied by one for Miss Puel - and some copies of Mr.  
Schlegel's Prospectus. I shall in a few days have an opportunity  
of sending Miss P. in a parcel to her.

You will please to put his name among the subscribers  
to Mr. Klaproth's work on China - and add mine to those for  
Mr. Schlegel's. It will give me much pleasure to promote  
if I can the wishes of You & your friends in reference to the  
valuable works which they have in hand.

I shall be glad to attend some of the meetings of the  
R. Ch. Society - and hope an opportunity may be soon afforded  
me.

I am going to be exceedingly impudent - but as you  
will perceive that it cannot arise from ill-will, or indifference,  
regarding the projected work of the illustrious Schlegel, you will  
pardon it - The title, I earnestly hope, adopt, as far as Latinity  
will allow, the orthography of Sir Wm Jones, as followed in the Ori-  
ental Dictionary, in names of persons and places. Attempts have  
been <sup>made</sup> to introduce a very preposterous mode of spelling, in oppo-  
sition to Sir Wm Jones'. I am glad to see the latter generally
