Bonne 29 June
1855

Dear Sir - I am so met in England,
 I should hope, you have continued in
 good health, and as I intend to
 remain this day at Bonn, I cannot
 refrain from expressing a wish to
 see you - if you will kindly inform me
~~at~~ what hour, will best suit, I will
 call at your house - I left the generosity
 of our friends, quite well in England -
 Sir Alex Johnston, Sir John Oasley Sir George
 Staunton - Sir George Haughton still continues
 in very infirm health - Alas! we have
 lost poor Ramohan Roy!

very sincerely yours
