Friday 5 o'clock.

Dear Sir

I must entreat your pardon for  
asking as a favor that you would change  
the day of honoring us with your  
company at the Literary Union. It  
happens unfortunately that I have  
a public engagement on the evening  
of Thursday at 7 o'clock - but any  
other day will suit me -

I remain Dear Sir  
Yours very truly

Wm. Lardner
