The Author of the English Translation of the
"Canzoniere of Dante" begs permission to offer
a spare copy of Professor Russett's new
work to the most elegant of the many profound
critics of whom Germany can boast:

A. W. Schlegel:

Author of the article, Dante, Petrarque, et
Boccace, in the "Reveu des deux Mondes"
"15 Aout 1836."

C. L.

Kinnorady, Kessicmuit, Scotland.
31. March 1843.
