Dr. The Professor of Chemistry,  
F.R.S. Member of the Geological  
& Astronomical Societies of London  
Consulting Chemist to the British  
Government, &c. presents his most  
respectful Compliments to Herr  
August Wilhelm von Schlegel.  
Having heard at the British Am-  
bassador's table where he dined  
a few days ago, that the justly  
celebrated and much admired  
interpreter of Shakspeare's plays,  
and investigator of his genius,  
is now in Berlin, the Dr. has
