Dear Sir

I am destitute at  
my ill luck - I have  
not been out of my  
house any Sunday  
for the last four  
months - Today  
I was gone to a friend  
of mine on business -  
How unfortunate!  
Had I but known  
of your kind intention  
I should certainly  
not have refused  
any thing to draw
