the present Edition.

HAVING for some Years observed a great Demand for Books of this Kind (and for these Treatises in particular) which, by the judicious, are esteemed as good, or better than any on the Subject, (and very rare) and finding nothing new published, was induced to the present Undertaking; I am informed by a Gentleman of undoubted Credit, that the Sale of Barba's Book is prohibited in Spain, under the Penalty of the Inquisition, and is so scarce in England, that I am informed there is but one Copy of the Spanish Edition, which is in Sir Hans Sloan's Library; Plattes's Discovery is very much esteemed, as being founded upon Experience: Also Houghton is valuable for his Laws relating to Mines, and his Explanation of the Miners Terms, &c.
