#### THE NATIONAL MEDICAL COLLEGE.

THE National Medical College, instituted in 1823, is now in successful operation. It was until a few years past known as the medical department of the Columbian College, from which institution it derives its authority to confer Degrees under an act of incorporation from the Congress of the United States.

In assuming its present name it was newly organized, and its facilities for instruction greatly extended.

It is situated at No. 453 14th street, between F and G streets.
