- CHUNDER, BH., the travels of a Hindoo to various parts of Bengal and Upper India. 2 Vols. 8. London, Trübner. Cloth 21 s.
This curious work is evidently the genuine production of a Hindoo whose acquaintance with the English language, although considerable, is manifestly that of a foreigner. The work derives additional interest from the fact that the writer's observations are obviously given as he wrote them — even his peculiar idioms being preserved by the editor. The traveller is an admirer of the Anglo-Indian government, and a severe critic of Mahomedan rule.
