

BOSSCH
ÖLER
für jede Maschine

BERN
HARD

The illustration shows a mechanical oiler device. It features a central engine-like component with a piston and connecting rod, mounted on a dark grey rectangular base. Several yellow hoses are connected to the top of the device, looping upwards and then downwards. A pressure gauge or valve is visible on the right side of the base. The entire scene is set against a teal background. Below the illustration, the brand name 'BOSSCH' and the product name 'ÖLER' are written in large, bold, yellow, 3D-style letters on a black, torn-edge background. Below this, the text 'für jede Maschine' is written in a smaller, grey, sans-serif font. In the bottom right corner of the black background, the name 'BERN HARD' is printed in small, black, capital letters.
