

All Parents know

their children need the best possible preparation for life—  
physically, mentally, morally.

## THE LANKENAU SCHOOL

is conducted for resident and day pupils  
by Deaconesses of the Mary J. Drexel  
Home, and enjoys the gratitude of many  
women, who received there a thorough  
education, with a Christian attitude to meet  
life's problems squarely and successfully.

*Let your daughters enjoy the same advantages at LANKENAU today.*

*Boys admitted to the first three grades as day pupils only.*

*High School fully accredited.*
