Petersburg, 2. September. Offiziell meldet man aus Cornji-Studen vom 1. September: Bei den rechten Flanken der Kuffischer Colonne auf der Straße von Domnabaz nach den Balkanpässen und gegen Lomtscha war alles ruhig. Am 31. August Morgens 8 Uhr rückten türkische Bataillone aus Kuffisch und verdrängten unsern Vortrab aus der Stadt Stablioi, wurden aber von dort durch angekommene Verstärkungen wieder vertrieben. Der Kampf am selben Tage bei Blesna hatte folgenden Verlauf: 6 Uhr Morgens verdrängte türkische Kavallerie unsere Vorkosten, gegen 8 Uhr entfaltete sich feindliche Infanterie und Artillerie, wobei eine Kanonade begann. Später erfolgten mehrere Angriffe auf Sgalowitsa und Durgaz, zwischen Sgalowitsa und Pelschot. Letzterer Punkt ging mehrmals von Hand zu Hand. Nachdem alle Angriffe zurückgeschlagen, ergriffen wir die Offensive, wieson erdögiltia die Türken, deren Zahl gegen 25,000 betrug, zurück. Nachmittags 4 Uhr war der Kampf beendet. Unser Verlust ist gegen 600 Mann.

Konstantinopel, 2. September. Bei dem am Freitag stattgefundenen Kampfe bei Pelschot verloren die Russen 1500 Mann. Bei der am Donnerstag von Kuffisch aus unternommenen Reconnoissance wurden die Russen bei Stablioi geschlagen und verloren 400 Mann. Die Türken machten ausgedehnte Reconnoissirungen in der Umgehung von Strowa; bei Masgrad wird ein Zusammenstoß erwartet. — Vom Schiffsapost nichts Neues; beiderseitige Verluste groß.

Vocales und Sächsisches.

Der gestrige Sedan-Festtag hatte in Neu- und Altstadt die Straßen unserer Residenz durch Blumen- und Laubenschmuck in ein festliches Gewand gekleidet und wurde die Feier seit der Stadt Vormittags 11 Uhr durch eine Musik-Aufführung der Stadtpfeife unter Direction des Herrn Capellmeisters Puffelhof auf dem Altmarkt feierlich begonnen. Unter den 5000 Mann, welche zur Parade kamen und die vorwiegend einen patriotischen Charakter trugen, haben wir besonders „Heders-Rudel-Quartette“ und „Singscharen“, Vorkämpfer von Gomadi hervor. Wie kein andrer schon am Vorabend verkleidete Stadtfestlichkeiten und namentlich das so herrlich an der Gise gekauene Heiligthum in kunstvoller Zusammenfassung, so waren auch gestern Abend die städtischen und einige Privathäuser festlich erleuchtet. Das Abends die localistische Partei seine Geliebtheit vorübergehen läßt, um bei bedeutenden Anlässen politische Propaganda zu machen, hat gestern nicht wieder einmal erlitten. Während der Parade wurden auf dem Altmarkt durch ein „Schlachter“, wozu gehören: 1. in 2.
