

WELCOME

The 2017-18 International Concert Series includes thirteen concerts, performed by some of the finest orchestras, conductors and instrumentalists. Our titled orchestras, the Philharmonia Orchestra and the Orchestra of the Age of Enlightenment, bring us some of their most ambitious and exciting concerts; we have works never heard at The Anvil before along with familiar classics; so come and enjoy great performance – live, in Basingstoke.

Take advantage of our subscription deals and enjoy more music. Please see the booking form at the back of the brochure for full details of the packages available.
