# Allen liebhabern der freien Kunst

Musica/ wünsch ich Doctor Martinus Luther/ Ge-  
nad vnd Fried von Gott dem Vater vnd vnserm  
H E R R N Christo/ etc.

**G**ott wolt warlich das alle Christen den theuren /  
werden/ hohen schatz / die lieben Musicam meine ich / so Gott vns  
Menschen gegeben / ja lieb vnd werdt hielten / denn es ist ein solch  
herlich Kleinot / das ich nicht weis wo ichs nemen soll/ dauon / wie sichs ge-  
büret/ zureden / Ist doch nichts auff Erden / das nicht seinen klarg hat / vnd  
seine zal/ ia auch die Lufft/ so doch unsichtbar vnd unbegreifflich ist / wenn man  
darein schlegt mit einem stabe/ so klinget sie. Das also diese edle Kunst in al-  
len Creaturen ihr bildnus hat. Ach wie eine herrliche Musica ist / damit  
der Allmechtige H E R R im Himmel/ seinen Sangmeister / die liebe Nachti-  
gal / sampt iren jungen Schülern / vnd so viel tausent mal vögel in der Lufft/  
A iij begna

begnadet hat / do ein jedes geschlecht seine eigene ahrt vnd Meloden / seine herrliche süsse stim vnd wunderliche Coleratur hat / die kein Mensch auff Erden erlangen noch begreiffen kan / Der liebe David hat solches mit grössern verwundern im Geist angesehen / do er spricht im 104. Psalm: An demselben sitzen die Vogel des Himmels / vnd singen vnter iren zweigern. Vnd vber das alles / hat er die Menschen mit dieser Kunst noch höher begnadet / das nichts dargegen zurechen ist / wenn eines Menschen stimm erklinget.

Die Heydnische Philosophi haben sich hefftig bemüht zuerforschen / wie doch des Menschen Zunge also wunderbarlich die gedanken des Hertzens / beide mit reden vnd singen dargeben möge / aber sie habens nicht können ergründen / ja es ist noch keiner so weit kommen / der da hette können ausgründen das a. b. c. von der Musica / Nemlich das vnter allen sichtbarn Creaturen / der Mensch allein die freude seines Hertzens also darthun kan / wenn er lacht / vnd dagegen wenn er betrübet ist / das er weinet. In summa die edle Musica ist nach Gottes wordt / der höchste schatz auff Erden. Sie regiret alle gedanken / sinn / hertz vnd muth. Wilstu einen betrübten frölich machen / einen frechen wilden Menschen zeumen das ergelinde werde / einem zaghaftigen einen muth mache / einen hoffer

hoffertigen demütigen / vnd dergleichen / was kan besser dazu dienen / denn diese hohe / theure / werde vnd edle kunst. Der heilige Geist ehret sie selbst / vnd heilt sie hoch / do er zeuget wie der böse Geist von Saul gewichen sey / wenn Dauid auff der Harffen schlug. Item da der Prophet Elisa weissagē solte / befahl er man solte im ein spielman her bringen / der auff der Harffen schlug. Daher auch nicht die lieben Väter vnd Propheten / ohn vrsach gewolt haben / das bey der Kirchen die Musica alzeit bleiben solt / daher sind kommen so viel geseng vnd Psalmen. Vnd ist diese theure gabe allein den Menschen geben / das er sich dabey erinner er sey dazu geschaffen / das er Gotte loben vnd preisen sol. Auch sihet man in dieser Kunst / die grosse vnaußsprechliche / vnbegreifliche vnd vnersorschliche weisheit Gottes / das die eine stimme ihrer art nach sein gerade vnd einfeltig hergeheth / vnd die andern so wunderbarlichen auff allen örten / daneben vnd umbher spielen / freundlich einander begeben / vnd sich gleich hertzen vnd lieblichen vmbfangen / das / wer im ein wenig nach dencket / vnd es nicht für ein vnaußsprechlich wunderwerck des HERRN helt / der ist nicht werdt / das er ein Mensch heist / vnd solte nichts anders hören / denn wie der Esel schreiet vnd wie die Esau grunzet.

Dar-

Darumb last vns in diesem thewren geschöpff / den Schöpffer erkennen /  
vnd ihr nicht misbrauchen / noch dem Teuffel damit dienen / sondern Gott den  
HERRN damit loben vnd preisen. Die sie aber misbrauchen / zu sauffen /  
schwelgen / leicht ertigkeit vnd vnzucht / die bezeugen damit das sie noch ins  
Teuffels reich sein / welcher ist ein feind Gottes / der natur vnd alles des /  
so Gott gemacht vnd gut heist: Hiemit wil ich euch al-  
len Gott dem HERRN beuolen haben.
