*) De ratione hujus indicis vid. praefatio. Quae nomina circello distinxī, ea sunt auctorum quorum habemus aut ipsa opera operumque fragmenta, aut alia ex illis versa et repetita, aut libros ad ea illustranda scriptos. Numeri indicant numeros codicum; ubi autem duo pluresve unum comma efficiunt, posteriores spectant ad subdivisiones illas, quas feci in plerisque eorum voluminum quae plura continebant. — Nomina occidentalia seorsum huic indici sub-juncta reperies.
