

The first part of the report is devoted to a general
 description of the situation in the country, and
 to a summary of the work done during the year.
 The second part contains a detailed account of the
 various projects which have been carried out, and
 of the results which have been obtained. The third
 part is devoted to a discussion of the work done,
 and to a summary of the conclusions which have
 been reached. The fourth part contains a list of
 the references which have been consulted, and a
 list of the names of the persons who have
 assisted in the work.
