

Vorübung für die rechte und linke Hand.

5tes Supplement.

The page contains eleven numbered exercises (1-11) for piano, arranged in five systems. Each exercise is written for both the right and left hands. Exercises 1 through 10 include detailed fingering numbers (1-5) above or below the notes. Exercise 11 is a shorter exercise. A text instruction on the right side of the page reads: "Bis hierher spiele mandie Übungen erst mit einer Hand allein." (Play all these exercises first with one hand alone.)
