

TABLE

	PAGE
26. Carboniferous Rocks, Subdivisions of	213
27. Bernician and Tuedian Series, Correlation of	249
28. Irish Coal-Measures, General Section	255
28a. Areas of Coal-Fields of the United Kingdom	257
28b. Typical Subdivisions of Carboniferous Strata	257
29. Geographical Distribution of Carboniferous Rocks in Great Britain and Ireland	258, 259
30. Carboniferous Actinozoa in Great Britain, Ireland, Belgium, and America	278
31. Carboniferous Brachiopoda in the same	283
32. Carboniferous Pelecypoda (<i>Monomyaria</i>) in the same	284
33. Carboniferous Pelecypoda (<i>Dimyaria</i>) in the same	286
34. Carboniferous Gasteropoda in the same	288
35. Carboniferous Cephalopoda in the same	289
36. Summary of Upper Palæozoic (Carboniferous) Life	293
37. GENERAL TABLES of the ORGANIC REMAINS of the UPPER PALÆOZOIC (CARBONIFEROUS) STRATA	294-305

38. Permian Rocks, Types of	311
39. Sequence of Conditions in Upper Palæozoic Strata	317
40. Stratigraphical Sequence and Geographical Distribution of British Permian Strata	319
41. Summary of Permian Life	320
42. GENERAL TABLES of the ORGANIC REMAINS of the PERMIAN STRATA	320-324

43. Keuper and Bunter Beds, General Succession of, for Britain	326
44. Triassic and Permian Strata, General Classification of	329
45. Penarth Beds, Sequence of, from the Keuper to the Lias	341
46. Triassic Deposits of Germany	344
47. Summary of Triassic Life	345
48. GENERAL TABLES of the ORGANIC REMAINS of the TRIASSIC and RHÆTIC STRATA	345-347

49. British Jurassic Series, Subdivisions of	349
50. German Jurassic Series, Classification of	350
50a. French Jurassic Series, Classification of	351
51. Jurassic Series, British and Foreign Equivalents	352
52. The Lias Stages in France	361
53. The Lias—Three Divisions of the <i>Bucklandi</i> Zone	367
54. Distribution of the Ammonitidæ through the Zones of the Lower Lias	373
55. Fauna of the North-west Lincolnshire Lias	375
