

till October - & in the meantime I  
am with 2 dear old Aunts -  
Frau Professor Heimbach & her  
sister - They have one lodger - a  
M. Burnaud - cousin of the  
Burnaud. Such a comical  
fellow with long straggly fair hair  
- quite music mad - & very  
amusing - & much petted by  
the old ladies. He plays splen-  
didly and composes a good  
deal - & some very nice things -  
we four make a jolly party - and  
then go out in the gardens with  
Friedländer & Redeker & Marie  
Friedländer (who seems very  
nice - & her mother too) Festival  
day evening we went to the  
Theatre. To hear Johannequin.  
We go <sup>nearly</sup> every night - & the  
tickets are — 1/6 !! etc
