

LAW.

AN ANALYSIS OF CRIMINAL LIABILITY. By E. C. CLARK, LL.D., Regius Professor of Civil Law in the University of Cambridge, also of Lincoln's Inn, Barrister-at-Law. Crown 8vo. 7s. 6d.

"Prof. Clark's little book is the substance of lectures delivered by him upon those portions of Austin's work on jurisprudence which deal with the "operation of sanctions" . . .

Students of jurisprudence will find much to interest and instruct them in the work of Prof. Clark."—*Athenæum*.

PRACTICAL JURISPRUDENCE, a Comment on AUSTIN. By E. C. CLARK, LL.D. Regius Professor of Civil Law. Crown 8vo. 9s.

A SELECTION OF THE STATE TRIALS. By J. W. WILLIS-BUND, M.A., LL.B., Barrister-at-Law, Professor of Constitutional Law and History, University College, London. Vol. I. Trials for Treason (1327—1660). Crown 8vo. 18s.

"Mr Willis-Bund has edited 'A Selection of Cases from the State Trials' which is likely to form a very valuable addition to the standard literature . . . There can be no doubt, therefore, of the interest that can be found in the State trials. But they are large and unwieldy, and it is impossible for the general reader to come across them. Mr Willis-Bund has therefore done good service in making a selection that is in the first volume reduced to a commodious form."—*The Examiner*.

"This work is a very useful contribution to that important branch of the constitutional history of England which is concerned with the growth and development of the law of treason,

as it may be gathered from trials before the ordinary courts. The author has very wisely distinguished these cases from those of impeachment for treason before Parliament, which he proposes to treat in a future volume under the general head 'Proceedings in Parliament.'"—*The Academy*.

"This is a work of such obvious utility that the only wonder is that no one should have undertaken it before . . . In many respects therefore, although the trials are more or less abridged, this is for the ordinary student's purpose not only a more handy, but a more useful work than Howell's."—*Saturday Review*.

VOL. II. In two parts. Price 14s. each.

"But, although the book is most interesting to the historian of constitutional law, it is also not without considerable value to those who seek information with regard to procedure and the growth of the law of evidence. We should add that Mr Willis-Bund has given short prefaces and appendices to the trials, so as to form a connected narrative of the events in history to which they relate. We can thoroughly recommend the book."—*Law Times*.

"To a large class of readers Mr Willis-Bund's compilation will thus be of great assistance, for he presents in a convenient form a

judicious selection of the principal statutes and the leading cases bearing on the crime of treason . . . For all classes of readers these volumes possess an indirect interest, arising from the nature of the cases themselves, from the men who were actors in them, and from the numerous points of social life which are incidentally illustrated in the course of the trials. On these features we have not dwelt, but have preferred to show that the book is a valuable contribution to the study of the subject with which it professes to deal, namely, the history of the law of treason."—*Athenæum*.

Vol. III. *In the Press*.

THE FRAGMENTS OF THE PERPETUAL EDICT OF SALVIUS JULIANUS, collected, arranged, and annotated by BRYAN WALKER, M.A., LL.D., Law Lecturer of St John's College, and late Fellow of Corpus Christi College, Cambridge. Crown 8vo. 6s.

"In the present book we have the fruits of the same kind of thorough and well-ordered study which was brought to bear upon the notes to the Commentaries and the Institutes . . . Hitherto the Edict has been almost inaccessible to the ordinary English student, and

such a student will be interested as well as perhaps surprised to find how abundantly the extant fragments illustrate and clear up points which have attracted his attention in the Commentaries, or the Institutes, or the Digest."—*Law Times*.
