

PREFATORY NOTE.

A commentary on this play, intended chiefly for young students, was contributed by me in 1867 to the series entitled *Catena Classicorum*. After a second edition of it had appeared in 1870, it was stereotyped, and since that date I have had no opportunity of further revision. The present work is not an enlargement of that book, but, as the different plan and scope required, a new one throughout.
