

Influence  
of Stesi-  
chorus  
on the  
dramatists.

If this hypothesis be even approximately correct,—and I, at least, am persuaded that it is so,—the result is of considerable interest, not merely in relation to Stesichorus, but also in its bearing on the Attic dramatists. It would appear that Aeschylus followed the general outlines of Stesichorus pretty closely; while Sophocles, who did not do so, has retained at least one Stesichorean trait, the part of the old man. Aeschylus did not need him, since *his* Clytaemnestra herself sent Orestes to Strophius; on the other hand, he retains the part of the nurse, which for Sophocles was superfluous. But even if the hypothesis be rejected, there remains that fragment of the Stesichorean poem which describes Clytaemnestra's dream. This proves that Stesichorus conceived her in a manner which was much nearer to the Aeschylean than to the Homeric. And this change—whether first made by him or not—was connected with another of still larger scope. Stesichorus related in the *Oresteia* that Tyndareus had incurred the anger of Aphrodite, who doomed his daughters, Helen and Clytaemnestra, to evil careers<sup>1</sup>. Here is the tendency—wholly absent from the *Iliad*—to bring crimes into the house of Pelops. The Dorian conquerors of Peloponnesus envied the renown which the old local lore, worked up by Ionian art in the *Iliad*, had shed around their Achaean predecessors, the ancient masters of Mycenae and Sparta. Under Dorian influences, the story of the Pelopidae was interwoven with those dark threads which appear in Attic Tragedy, while brighter traits were given to the legends of Heracles and the Heracleidae.

Pindar.

§ 8. Between Stesichorus and Aeschylus, the only poet who illustrates the story of Orestes is Pindar. In the eleventh Pythian ode (478 B.C.), he describes a victory in the Pythian games as won 'in the rich corn-lands of Pylades, host of Laconian Orestes; whom, when his sire was murdered, the nurse Arsinoë rescued from the violent hands of Clytaemnestra and from her deadly guile.' That 'pitiless woman' slew Aga-

<sup>1</sup> Frag. 35. It was from Hesiod that Stesichorus derived this story. It is probable that the *Κατάλογος* of Hesiod contained references to the crimes in the house of Pelops: see Robert, *Bild u. Lied*, p. 189.
