The terms of this Association are necessarily, as with all bona fide Co-operative Associations, "cash with order." The Association does not, at present, restrict sales to its ticket-holding members. Goods to order will in all cases be sent off as quickly as possible; yet, as the number of ticket-holding members is now very large, and daily increasing, the Management will, in cases of pressure, give preference, in dispatch of orders, to the latter. To expedite the execution of orders made per post, customers are particularly requested to use the P. A. C. S. A.'s order-form books, which may be had from the Stores at 3d. each, post free.

For particulars of membership, shares, &c., please address the Secretary. In ordering goods, or making out cheques, please write simply "P. A. C. S. A., Ltd." and address, 43, Charterhouse Square. Cheques and P.O.O.'s should be crossed "London and County Bank." Postage stamps must not be remitted in excess of 2s. 6d. A new Price List is in course of compilation, and will be issued shortly.

ADDRESS—

THE SECRETARY, P.A.C.S.A., LIMITED,
43, CHARTERHOUSE SQUARE, LONDON, E.C.

N.B.—A certain class of evil-disposed and unscrupulous persons, finding their own interests as Dealers, Agents, or Travellers to be interfered with by Co-operative Stores, consider it their right to attempt the detraction of such Institutions, by means of aspersion and slander. The P. A. C. S. A., in particular, has not escaped its share of such vilification; but the Directors consider a mere reference to the fact sufficient to put the Photographic Public on its guard against these selfish and despicable calumniators.
