Dicitur in Scholicis labor esse vel umbra Palæstris,  
Nec caret augurio justa querela suo.  
Nam quoties juvenum vaga nos ignavia fallit,  
Gloria nostra cadit, Gaudia nostra cadunt.  
Sunt tamen e paucis pia quos solertia tangit,  
Quosq; animi virtus altius ire jubet.  
Hos spectare fat est: animi sic certa Voluptas  
Sic, velut ex merito, Gloria certa venit.
