CUr MONUMENTA ſuis video fulgere me
Æraq; tot Saxis nobiliora nitent?
An qvia materies fixum ſolidata per ignem,
Temporis & vitii damna minora timet?
Forſitan occultis ludens SAPIENTIA ſignis

ARMA etenim varii generis contexta ſupernè,
Qvid, niſi conſilium grande LABORIS habent?
Militat omnis homo: Charitum & ſi caſtra ſeqvaris,
Militis officium deſeruiſſe pudet.
Eſt LABOR in ſtudiis, qvantumq; Scientia creſcit,
Ingenii tantum creſcit & urget onus.

Aſt utrumq; latus cur hinc INSIGNIA claudunt?
Qvæ clypeis ſtatuunt caſſidibusq; notam.
Scilicet illuſtres hæc penſa ſeqvuntur HONORES,
Ne qvem pœniteat laudis adire viam.
Felix qvem meritis dignum ſua FAMA coronat,
Cuiq; favens populi gloria teſtis adeſt.
Huic placidam ſignat CALVARIA nudula MORTEM,
Qva veniente labor, non tamen exit honos.
Nemo eqvidem vivit, niſi qvem MEDITATIO MORTIS
Vivere, nec vitæ ſpernere dona, docet.
Talia vobiſcum monumenta polita loqventur:
Sed qvibus accedat gratia veſtra, precor.
