Manufacturer and Exporter
of the celebrated

Imperial Accordeons

the only standard Instruments for extreme climates.

The Univ. Exhibition Melbourne 1888/89 rewarded these Accordeons with the highest premium the Gold Medal on account of their „power of Tones“, „especial performance“, „high execution and finish“, „superior quality“ and „moderate prices“, which proved the eminent artistical value of those Instruments.

Price of Imperial Accordeons Mk. 3.— up to Mk. 100.— each.

On demand Catalogue can be had free and without any charges, if satisfactory informations are given.
