

Breit, Gregory

Some effects of the distributed capacity between inductance coils and the ground.

Washington 1922.

= Papers, Scientific - of the Bureau of Standards. Dep. of commerce. No. 427.

High-frequency resistance of inductance coils.

Washington 1922.

= Papers, Scientific - of the Bureau of Standards. Dep. of commerce. No. 430.

The field radiated from two horizontal coils.

Washington 1922

= Papers, Scientific - of the Bureau of Standards. Dep. of commerce. No. 431.
