

*Qui Rosarium intrare conatur Philosophicum absque clave,
assimilatur homini ambulare volenti absq; pedibus:*

EPIGRAMMA XXVII.

Luxuriat Sophia diverso flore ROSETUM,
Semper at est firmis janua clausa seris:
Unica cui clavis res vilis habetur in orbe,
Hac sine, tu carpes, cruribus absque viam.
Parnassi in vanum conaris ad ardua, qui vix
In plano valeas te stabilire solo.
