In the year 1785, the first part of the
 first volume of the *Journal de Chimie*
 published in Paris, was translated into
 German by the author, and published
 in Berlin, under the title of *Journal
 der Chemie*. This translation was
 the first of its kind, and it was
 followed by several others, which
 were published in different parts
 of Germany. The first of these
 was published in 1786, and it was
 followed by several others, which
