*Exspatiata ruunt per apertos flumina campos,  
Cumque satis arbusta simul, pecudesque virosque  
Teſtaque, cumque ſuis rapiunt penetralia ſacris.*

— — — — —  
*Occupat hic collem, cymba ſedet alter adunca,  
Et ducit remos illic, ubi nuper ararat,*

— — — — —  
*Figitur in viridi (ſi fors tulit) anchora prato,  
Aut ſubieſta terunt curuae vineta carinae.*
