suffossa. ab increpatione vultus tui peribunt. Quod b. Aug(ustinus) in [illegible] quae accipit ipse
sed in lit(tera) [illegible] Moraliter exponens ait. peccata omnia
duae res faciunt scilicet cupiditas & timor. peccata ex cupiditate scilicet incensa igne, sed
peccata ex timore scilicet suffossa: Vt incensa [illegible] illa destructio. & omne
peccatum fit aut ex amore male inflammante aut ex timore male humiliante.

Verum Synagoga sic exterius periit. et quod succenderetur & suffoderetur fuit
increpatio vultus dei. Sic & interius in animis: ipsa succensa zelo & ira
& suffossa superbia periit et & hoc ex increpatione dei fuit

Ecclesia autem licet ipsa quoque succendatur & suffodiatur foris non tamen ideo perit ab
increpatione dei. sed potius per hoc salvatur.

Videtur autem multis & spiritu loquentis de novissima vastatione Iudaeorum [illegible]
destructione [illegible] [illegible] Sic enim [illegible] & [illegible] [illegible]
eius & erat in [illegible] et [illegible] [illegible] eius & erat in [illegible]
Tunc enim Romanus [illegible] aper vastavit: et ipsi [illegible] multo [illegible]
Ita vt vere ferus singularis ille sit [illegible] ordo. Sed ne tota periret
orat spiritus [illegible] Deus Convertere et [illegible] et salvas reliquias eius [illegible] & in
[illegible] Sic enim ipsa incensa & suffossa peribunt [illegible] qui destructi
sunt, incensi & suffossi: literaliter & spiritualiter peribunt ab increpatione vultus tui
[illegible] maledicti & reprobati. Dixit autem [illegible] vultus dei [illegible]
[illegible] ille [illegible] arguit & increpat [illegible] & [illegible] Iudaeos [illegible]
erant igne succensa synagoga scilicet ira & zelo & suffossa superbia. Et ideo [illegible]
[illegible] increpationem illam perierunt. Si enim succensi & suffossi [illegible]
[illegible] non [illegible] perierunt sed [illegible] increpationem vultus dei. Mora-
liter autem suffossa & incensa est caro [illegible] legem [illegible] Et
ipsa [illegible] perit ab increpatione [illegible] Christi. [illegible] Aug(ustinus) [illegible]
[illegible] ille in [illegible] [illegible] [illegible] [illegible] ipsa carnem vel [illegible]
[illegible] diabolus igne succendit & suffodit. et [illegible] perire noluit
[illegible] perierunt

Sic Ecclesia [illegible] in novissima sua vastatione per tyrannum vel antichristum destruetur
[illegible] religione electorum salvus fiet. Ideo [illegible] perit & [illegible] Et
[illegible] incensa & suffossa peribunt [illegible] mala [illegible] ab increpatione
vultus Christi. [illegible] Apostolum [illegible] interficiet [illegible] spiritu oris sui & destruet
illustratione adventus sui. Tunc enim [illegible] et quod destruxisti
[illegible] eius. Et [illegible] eius omnes qui [illegible]
[illegible] qui non sunt in Christo sed [illegible] in [illegible] transitoria [illegible]
[illegible] & [illegible] Christum. [illegible] multo [illegible]
[illegible] & [illegible] omnes [illegible] [illegible]
[illegible] & [illegible] [illegible] erit [illegible] quod hoc [illegible]

Ille enim erit Aper (non domesticus) sed sylvestris. Et singularis (non
[illegible] sed ferus. Ferus enim domesticus est peior in [illegible] & [illegible]
sed sylvester & ferus est [illegible] et [illegible] [illegible] vel antichristus
[illegible] synagogam: & [illegible] Christi [illegible] Et
