Secunda est exaggerare et multiplicare ea que adversus proximum suum loquitur et
[illegible] in omnibus suis dictis et factis cum augmentis. Et hoc est quod dicit Sapiens
sermonibus odii. Non ait manibus aut gladiis sed sermonibus [illegible]
hoc [illegible] est ex omni eius parte [illegible] cum sermonibus [illegible] [illegible] sermonibus
odii [illegible] active et passive intelligi [illegible] sermones isti ex odio eorum procedunt [illegible]
sic quia amator est laudat amatum ita qui odit [illegible] odium [illegible]
[illegible] istos sermones eum faciat odibilem coram aliis. [illegible] fama de aliquo
mala est vere sermo odii et odibilis. [illegible] sermo laudabilis est fama bona

Tertia est que bona [illegible] [illegible] in malum. [illegible] amplius [illegible]
fingere malum de eo incipit bona vituperare et [illegible] malis [illegible]. Ut Christo in
Beelzebub eicere demonia. Et hoc dicit pro eo ut me diligerent detrahebant
mihi. Et hoc proprium est detractoris [illegible] derogare beneficiis et bene dictis [illegible] trahit
bona ab eis et sic vere detractor [illegible] bonum

Quarta. [illegible] mala fingere nescit nec bona [illegible] aut negare [illegible]
hoc [illegible] [illegible] opus suum [illegible] bona fieri ad [illegible] eorum [illegible] [illegible]
[illegible] [illegible] [illegible] [illegible] filiorum Amon David detrahere apud
regem suum. [illegible] Caiphas et Iudei Christum [illegible] Romani tollerent locum
[illegible] [illegible] [illegible]. Hoc dicit et posuerunt adversum me mala pro
bonis et odium pro dilectione mea.

Quinta et prima est debita. Est peccator qui ad se [illegible] alios [illegible] peccatores [illegible]
et se [illegible] [illegible] aliquem non detraheret [illegible] [illegible] [illegible] [illegible] est dolosus
[illegible] ad audientem [illegible] [illegible] [illegible] [illegible] libere et audacter [illegible] [illegible]
Deo detrahit

Sequuntur [illegible] [illegible]

Primo Constituens super eum peccatorem. Hoc primo ad literam de [illegible] [illegible] [illegible] [illegible]
et [illegible] [illegible] ad [illegible] eos [illegible] [illegible] est [illegible] [illegible] [illegible] Sic [illegible]
[illegible] [illegible] fideles et [illegible] [illegible] in synagoga [illegible] et [illegible] [illegible] in cathedra
pestilentie [illegible] Iob ait Quis facit regnare hypocritam propter peccata populi [illegible] de-
tractor [illegible] [illegible] [illegible] [illegible] [illegible] diabolum [illegible] [illegible] detrahere et
male agere. O misera [illegible] [illegible] in [illegible] [illegible] [illegible] et [illegible] [illegible] [illegible]
[illegible] dolosorum [illegible] [illegible] [illegible] detractorum [illegible] [illegible] [illegible] [illegible]
aliquem peccatorem est [illegible] in magisterium [illegible]

Secundo. Diabolus stet a dextris eius. Hoc est [illegible] [illegible] [illegible] [illegible] [illegible]
possideat [illegible] eorum [illegible] [illegible] ut defendat et prosperet [illegible] [illegible]

Tertio. Cum iudicatur exeat [illegible] [illegible] ab aliis [illegible] et [illegible] [illegible]
[illegible] se defendit [illegible] ab [illegible] in [illegible] [illegible] et [illegible] [illegible] iudicio. Contingit [illegible]
[illegible] [illegible] [illegible] [illegible] [illegible] in [illegible] [illegible] et detractor [illegible]
[illegible] [illegible] omnis [illegible] [illegible] [illegible] [illegible] iustus cum iudicatur intrat [illegible]
[illegible] [illegible] [illegible] Et ideo

Quarto. Oratio eius fit in peccatum [illegible] [illegible] [illegible] [illegible] oratio fit in [illegible]
[illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] oratio [illegible] [illegible] filii Dei ad
[illegible] [illegible] [illegible] [illegible] orat [illegible] ad [illegible] [illegible] hoc [illegible] non [illegible] [illegible] [illegible]
