

This image shows a page of handwritten musical notation on aged, yellowed paper. The score consists of approximately 12 staves. The notation includes various musical symbols such as notes, rests, and dynamic markings. Notable features include:

- Dynamic markings:** Handwritten in blue ink, including *p* (piano), *crca*, *can*, *ff* (fortissimo), and *ff* (fortissimo).
- Articulation:** Accents (*>*) are placed over several notes.
- Figured Bass:** Some staves feature vertical lines with numbers (1, 2, 3) below them, characteristic of figured bass notation.
- Handwritten Text:** The word "Duo" is written in large, cursive script across the lower staves. Above it, the word "Sc" is written in a smaller, slanted script.
- Staff Structure:** The first six staves contain dense musical notation, while the last six staves are more sparsely populated, with the final two staves being empty.
