

# STANLEY

A hand axe, an all 'round useful tool.

Chops kindling, points and drives tent stakes, breaks coal, and does single and double handed heavy hitting and cutting everywhere.

It is but one of the new Stanley Household Tools, each one of which has a dozen everyday uses around every home and farm.

## 32 different Tools in this Stanley Four-Square line

They all bear the bright red Four-Square mark and each is individually boxed.

The price tag tells the right price to pay.
