

### Olives from Spain

From Seville, in sunny Spain, where climate and soil combine to make the finest olive growing district in the world, come Heinz Queen Olives. The same region produces ripe olives for olive oil. And in the midst of these olive groves there is a Heinz establishment where the fruit is prepared under our strict supervision and the ripe olives are pressed for Heinz Imported Olive Oil.

Olives and raisins from Spain, currants from Greece, figs from Turkey, spices from Java and India, fruits and

vegetables from the garden spots of America! The whole world is drawn on for the products used in making the 57 Varieties. And wherever quick handling is necessary to preserve freshness, Heinz kitchens are located right on the spot.

All these world-wide activities are for the purpose of making each food that bears the name Heinz pure and wholesome and good to eat—uniform in quality, and sufficient in quantity to supply a world-wide demand for them.
