

GEORGE I. ILLIAN

Ring Out The Old;
Ring In The New!

The spirit of American beauty is being set to a new rhythm. The progress of style is a wonderful thing. It brings out the beauty of the modern woman in every detail, to the point of making the heart of the old-fashioned woman feel that the fashion of the future is more attractive than the fashion of the past. It is the fashion of the future that we should look to for our inspiration. It is the fashion of the future that we should look to for our inspiration.
