

Modern is as modern does—in Typography as in everything else. The modernity of Volk typographic service is aptly evidenced by the decorations and furnishings of the offices. The moment you enter the outer door you sense that here is a typographic service alive to the changes in this fast-moving world—a service strictly in key with modern times. You see, you feel, you *know* that here you will find all that is newest and best in typographic design.

GEORGE SWITZER

Prospectus for Kurt H. Volk Inc., New York
