EVERY BUSINESS MORNING... FIVE CENTS

**Waterman's**  
new **patrician pen and pencil**

**FOR COLOR**—Each pen is also a pencil so beautifully done  
it takes today's work of color in personal appointments, in  
Tartan, Fossil, Dark, Navy, or Jeweled pens, in gold.

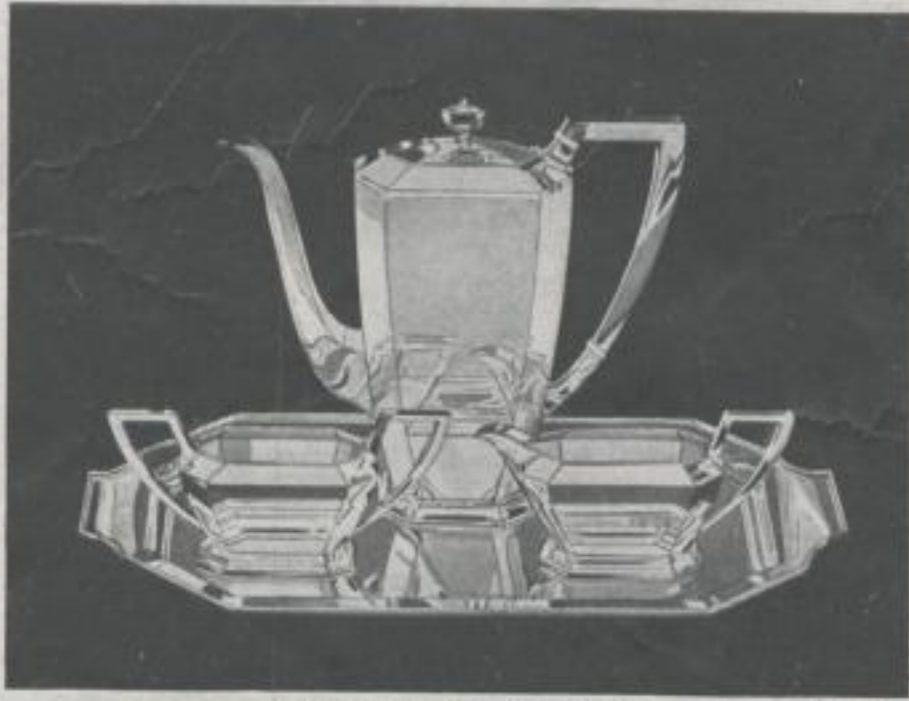

**FOR CRAFTSMANSHIP**—More than three hundred separate  
hand-crafted operations, and forty-seven years of leadership in the  
making of fine writing instruments, go into these superb Waterman's.

**AND FOR WRITING**—The hand finished pen points, ground  
to exactly the correct angle, the patented Waterman's reservoir,  
the "balance" in your hand, all promise you many years of  
smooth, easy writing from your new Waterman's Patrician.

Waterman's No. 1 of F—Seven different pen points are offered for your choice. Ninety-seven per cent  
of fountain pen users had had one of these mainly for their fountain pen writing needs.  
Waterman's No. 1 of F—Having been here for over one of the best pens offered in the pen will  
not just give you style of writing. A fine pen at a low price—well used that will serve you many years.  
All Waterman's fountain pens, pencils and pens are made in good writing appointments. Every Waterman's is guaranteed against  
leakage or failure. Waterman's fountain pens are made in the pen and pencil departments of the Waterman Company.
