● On your palate refreshed with coffee this brandy lingers like music. Perfume, flavour, warmth, sensation—inextricably mingling. Drink it slowly, sip by sip. Feel throughout your whole being the sun of a vanished summer. The self-same sun that shone on the roofs of Cognac—years and years ago. The self-same sun that ripened the grapes in the famous Charentes vineyards—where, perhaps before you were born, this Bisquit Dubouché was distilled.

WHAT HE IS LOOKING AT

A MYRIAD OF MEN will be wanting Jaeger this winter. Jaeger styles are new—they are designed and made in the comfortable healthy form men want to-day. Jaeger prices are down—because of the price of wool. Jaeger will be advertising to men early in October—that is, when everybody begins to think seriously of winter underwear again. There will be a full page advertisement—entirely devoted to Men's Underwear—in the "Daily Mail" on October 12th—also a full page in the "Manchester Daily Dispatch" of the same week.

Besides offering a sample of Jaeger material and an attractive catalogue, these advertisements will ask the public to see the actual garments at the nearest Jaeger agent—so Jaeger advertising is making customers in your neighbourhood for you! Please be ready to get your share, and write at once to The Jaeger Company, 95, Milton Street, London, E.C.2.
