

*Die Rücksichtsvollen*

*Uncomfortably crowded, but considerate!*

**F**irst impression: vitality.

An obvious preference for the grotesque, for bold perspectives. Ideas turning somersaults in his brain are quickly knocked into shape by a swift sure stroke of the artist's pencil.

Special characteristics: humour, humour! This in brief might be called the "warrant" for the caricaturist L. v. Malachowski. Whenever this man draws advertisements, the nerves of the observer are truly put to the test. He is astounded at seeing in the place of a bald representation of technicalities some decidedly
